

Login Screen
#1 View

A hand-drawn sketch of a login screen. At the top center, the text "SPEED RACER" is written in a large, stylized, cursive font. Below it, "RACING LEGENDS" is written in a smaller, simpler font. To the right of the text is a circular logo containing the letters "S", "U", "C", and "R" arranged in a square pattern. Below the title, the word "Login" is written to the left of a rectangular input field. Further down, the word "Register" is written inside a rectangular button.
