Team: Speed Racer

Milestone: 3

Title: Persona

Persona 1: Jenny

Jenny is an undergraduate student studying Micro-Biology at The University of Texas at San Antonio. She emigrated from the United Kingdom after completing her high school to pursue higher studies here in the United States. She loves spending time with friends and family. Out of her busy schedule she always puts aside some time to enjoy with them.

Jenny is good with computers and uses them on a regular basis to complete homework, conduct research in microbiology and create experimental lab reports. She also uses it for checking emails, shopping, and not to forget, gaming.

Jenny never misses to play Need for Speed (NFS) on her recently bought Alienware Desktop. It runs the latest Windows 10.

Jenny previously use to play Maze Runner but then she wanted to start playing something more adventurous. That is when she decided to play NFS. She plays for fun and entertainment. She likes this game so much that whenever she has some leisure time, she is on her PC playing NFS.

Persona 2: Destiny

Destiny is a Nurse at Children Pediatrics Center in San Antonio. She completed her study at The University of Texas at San Antonio. She loves to play games, watch movies and reading books.

Destiny is good with computers. She uses them while at work to create patient reports and other various duties. She also uses it for watching movies, playing games, shopping and paying bills.

Destiny uses her spare time playing Mario Kart on her cellphone. She uses the latest iPhone X.

She is so into Mario kart that while playing she almost always gets lost in the game.
